### CHILDREN'S DAY

The Sunday School celebration of Children's Day at First Presbyterian Church will take place Sunday morning.

The exercises, principally by the Primary Department, are entirely religious in character and give an idea of the regular work every Sunday. All are cordially invited to attend.

### DIED AT INFIRMARY

Diecy N. Sapp, aged about 60, died at the County Infirmary, yesterday afternoon about 2 o'clock. She had suffered a stroke of paralysis. Burial was held this morning at 1 o'clock in the infirmary burying grounds.

Miss Minnie Sproemberg of the De Nuzo, spent the day in Cincinnati yesterday.

### WILL ORGANIZE BRANCH

Tomorrow afternoon at Mayslick a branch of the Mason County Red Cross Chapter of the American Red Cross will be organized. The Mason County Chapter has full power of organizing branches all over the county and as many Mayslick people have expressed their desire to have such a branch in their neighborhood it will be organized. Members of the Mason County Health League and the Mason County Red Cross, together with the men of the Sanitary Survey Corps, will be present in Mayslick. All persons of that community interested in the work of the American Red Cross are requested to be present.

Mr. and Mrs. Elwood Davidson have moved from West Second street to Fifth street.

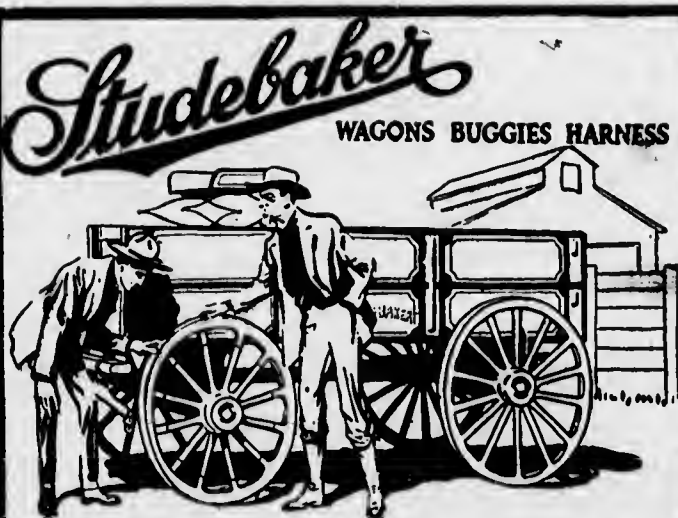

## WHERE WILL YOU BE AT SIXTY-FIVE?

Statistics show that out of 100 average healthy men at age 25:

- 36 will be dead at 65.
- 1 will be rich.
- 4 will be wealthy.
- 5 will be supporting themselves by work.
- 54 will be dependent upon friends, relatives or charity.

Tires that did not require setting in thirty years—on a Studebaker

WHEELS are the life of a wagon. Hubs, spokes, felloes and tires of the best materials, put together by skilled workmen, go into every Studebaker.

What is the result? Mr. William H. Horton, of Nineveh, N. Y., writes that the tires on his thirty-six year old Studebaker farm wagon did not need resetting in thirty years—and the wagon was in use every day.

We can prove to you that this is not an exceptional Studebaker wagon. There are thousands of Studebaker wagons in use today that are forty years old and more. And that have cost their owners little or nothing for repairs.

Come in and look over our stock of Studebaker vehicles. Let us show you how well they are built.

Studebaker wagons are sound investments, every time

The West Central Market will have a special sale on Swift's Premium hams, Saturday only. 7 to 10 pounds hams 25 cents per pound. This is a real bargain.

### ARRIVES IN ENGLAND

Major General Pershing of the U. S. Army Reaches British Isles in Safety—57 Officers and 50 Privates in Party.

London, June 8—Headed by Major General John J. Pershing, the first representatives of the American army that are to enter the European war, disembarked this morning at a British port after an uneventful voyage of ten days on board the White Star Liner Baltic.

The party was received with full military honors and immediately entrained for London, where it arrived this afternoon, and was welcomed by the Earl of Derby, the minister of war, Viscount French, commander of the British home forces, and the American officials.

General Pershing's personal staff and the members of the general staff who will perform the preliminary work for the first fighting force, number fifty-seven officers and are accompanied by a squad of some fifty privates, and a large civilian clerical force.

The American residents of London and various British organizations have prepared an extensive program of entertainment for the American party, but it is doubtful if much of it will be carried out, as General Pershing, before being informed of the plans, expressed a desire that there be a minimum of anything in the nature of a social character. The entire contingent devoted itself to the hardest kind of work of an organizing nature and the whole atmosphere of the mission is that of men embarking on a grave enterprise with the deepest realization of its difficulties and demands.

### A FINE DAUGHTER

Friends here have received announcement cards of the birth of a fine daughter to Mr. and Mrs. J. C. Ronnan at Grant Hospital, Columbus, Ohio, on June 6. Mrs. Ronnan was formerly Miss Allen Glascock of this city.

An endless variety of presents suitable for the graduates are now being shown by MURPHY, The Jeweler.

### BASEBALL GAME

The first exhibition of baseball of this year will be given in the League Park on Sunday afternoon when a Maysville team will cross bats with the Mayslick nine. The Maysville team is composed of some of the prominent young men of the city, although we could not get their lineup yesterday on account of some doubt as to certain members of the team taking part in the contest.

Baseball in Maysville this year has been sadly lacking. Not even the kids play in the alleys or in the streets, meanwhile keeping their weather eye open for police. Maysville fans have been content with reading the big league games but now we are to have a real sure-enough baseball game once more in our midst. Play will be called at 2:30 o'clock.

## PREPARE NOW FOR NEXT YEAR'S FOOD SUPPLY

A crucial time in the world's food supply will be next year and the year after next. All that we are doing today looking toward increased food conservation is merely a preparation for what must be done for next year's crop and for the year to follow, and perchance for years after that. The thought of the whole nation should be centered upon plans for making certain a larger food production next year than it will be possible to get this year. We started too late this year to accomplish the largest results, but we must begin now to prepare for the years to come.

Congress should immediately take some action that would establish a minimum price for staple food supplies in order that farmers might be justified in purchasing the agricultural implements and the fertilizers and engaging the labor necessary to increasing the acreage under cultivation. Action should also be taken that would secure an ample supply of seed wheat so that an arrangement might be put into effect by which we could this fall add at least 50 per cent. to the wheat-growing acreage of the country. Unless we can increase the winter-wheat area by 25 to 50 per cent. we shall fall very short of the needs of the hour in our own country and in the world. We must consider these questions from the standpoint of a possibility of bad weather cutting short the yield of all crops, and therefore, we must look to the enlargement of acreage, to the selection of the best seed that can be obtained of all grain and other food supplies, and cotton as well, and we must make sure that an available supply of seed will be obtained, for otherwise the high prices of grain might tempt the farmers to sell off their entire crop, as they are, to some extent, doing with their livestock in selling off much of their breeding stock which should be kept, tempted by the high prices for meat and at the same time moved thereby by the high cost of feed.

The business people of the country have been earnest and vigorous in trying to arouse a broad interest in the enlargement of our food crops this year, but the time was limited and the work was undertaken too late, and we must now begin a campaign with still greater vigor, looking to the enlargement of the land under cultivation in food crops for next year, and not a moment should be lost in beginning this campaign. It behooves the Government to take the lead in this, and Congress should promptly guarantee a minimum price on the great food staples, and this price should be high enough to justify the farmers in undertaking to raise more food supplies even with the high prices of labor, of fertilizers and of all other things which add to the burden and the cost of farmers' work. We do not believe it at all wise that for the moment consideration should be given to fixing a maximum price. The question is to fix a minimum price high enough to make certain that the farmers can draw back into farm work a sufficient amount of labor to justify them in increasing their acreage and in planning for larger operations next year. If this should be put into effect, much new land would be cultivated and many people not now engaged in farming, but who are familiar with farm operations, would go back into farm work, and landowners everywhere would begin now to plan for next year's operations. Congress and the Administration will make a serious mistake if this work is not taken up immediately in order that the machinery for working out this plan may be created.

## NATIONAL DAY-LIGHT-SAVING

"Daylight-saving," recently a sort of municipal fad, is now being taken seriously and advocated on a big scale. It has attained the dignity of approval by the United States senate committee on interstate commerce. The president is understood to have given his approval to the elder bill, on which the committee acted, and which proposes to make daylight-saving effective throughout the entire country. It is expected to become a law.

The device is intended to apply only to the four summer months. The clocks would all be turned ahead one hour on the last Sunday of April and turned back again on the first Sunday in September. The measure recognizes, for purposes of time adjustment, the four standard time zones already established by the railroads and recognized communities.

This change used to be recommended primarily as a health measure, enabling people to get through their working day earlier and thus have an hour more for outdoor recreation before dark. Now the emphasis is being placed on its economic aspect. It is regarded as a war measure, after the example of several European belligerents. It involves a substantial saving in the use of coal, because it means that people will go to bed an hour earlier, and thus use less gas and electricity in their homes, and make less demand on trolley lines and places of public entertainment at night.

## OFFER SERVICES PERSEVERENTLY, DECLARES COLONEL ROOSEVELT

New York, June 7.—Being passed over by the selective draft does not absolve a man from the duty of persistently offering his services to his country in whatever way they can best be used, Colonel Theodore Roosevelt declared tonight before the American Medical Association convention here. Failure to do so means unfitness to be a citizen, he said.

He urged all doctors to volunteer for medical service, or if they could not go in person to co-operate in doing the younger men's work for them so they could go.

## TERIBLY SWOLLEN

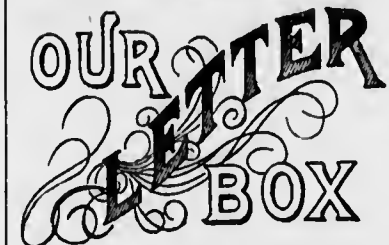

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while illing, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks.

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it! NC-131

## Rectoryville and Hildrethport

Miss Virginia Dohms of Flemingsburg is spending the week end with her cousin, Stephen Cooper.

Preparations are being made for the observance of Children's Day in the Mt. Olivet Sunday School Sunday, June 24.

The thieves in the stolen automobile of Dr. Hill of Cottageville, were seen by several speeding at terrific rate through this village at 2 a. m. Wednesday. The unusual noise woke many from sleep and various suspicions were expressed of robberies, invasions or German raids. No one was greatly surprised when the report came that an escaped prisoner from the State School of Reform was captured near Flemingsburg with the nearly wrecked car, at a later hour in the day.

Mrs. H. P. Day and children of Poplar Plant, spent Wednesday with her cousins, Mr. and Mrs. G. W. Hook.

Mrs. Sarah Smith is visiting relatives and friends in Cabia Creek.

The covered bridge over Phillip's Creek, which was mentioned last week, was, we understand built in 1870 or 71 by John Parker and Matt Stubblefield, upon splendid stone piers put in by George Fulkner of Flemingsburg. It has been a landmark and we are glad to learn its history and to give deserved praise to honest workmanship when we find it. A less substantially constructed bridge could not have survived the shock of Thursday's flood.

## AVIATORS IN N. Y. DROP

### LIBERTY LOAN APPEALS

New York, June 7.—Spectacular Liberty Loan campaigning by United States army aviators conveyed through air channels today urgent appeals to the people of New York to purchase the bonds. Ten machines, taking wings at a government aerial training field on Long Island and on Governor's Island, carried 500 pounds of circulars. These they dropped from under rain filled clouds.

"It might have been a German bomb," was the warning in red letters. "To avoid bombs, buy bonds."

## POEM ON THE FLAG

We are in receipt of a copy of a poem written by Mr. C. G. Degman formerly of Mason county, now residing in Muskogee, Okla. The poem which is very sweet and lyrical is as follows:

The Flag  
The Flag for the weary,  
The Flag for the cheery,  
Is the red, white and blue.

Fling it to the breezes,  
Let Old Glory lead us,  
To liberty, that's pure and true.

The Flag on the steeple,  
The Flag of the people,  
The Flag that waves on high,  
The Flag on the mast,  
The Flag first and last,  
The Flag for you and I.

The blue field of glory,  
Like the old time story,  
Is a source of pure delight,  
With the Stars and Bars,  
Can take the jolt and pars,  
Yet win for us all right.

In front of our army,  
And above our own navy,  
Or in hands of citizens brave;  
Let it be the emblem,  
And the watchword of freedom,  
That our country, we may save.

## Chiropractic

(Pronounced Ki-ro-prak-tik)

Relies Upon Nature

It's as natural for some people to start dosing themselves with drugs at the first inkling of sickness, as it is for the sun to rise at morning. But it's a costly habit. Listen! The little red school-house has been doing its work so well that intelligent people are asking—

First. How much have we spent for drugs in the past year?

Second. How much good or harm have we bought for this money?

Third. Can't we do without medicines, serums, ointments, liniments, etc? Chiropractic, the druggless art of restoring health says you can and should. Ask for booklet.

Where Religious Exercises Will Be Held on the Sabbath.

### Christian Science Church.

Christian Science Church Sunday morning 10:45 G. A. R. Hall, Cox Building.

### Washington Presbyterian

Sunday School at 9:30 a. m. At 10:30 Elder M. M. McKnight will give a report of the proceedings of the General Assembly to which he was a delegate from this Presbytery.

At 7 there will be a service of song and praise. An excellent program has been prepared so don't fail to hear it. W. P. HOOPER, Pastor.

### St. Patrick's Church.

Until differently announced, the services will accord with this schedule: Sunday: First mass at 8 a. m. Second mass at 10 a. m. Benediction of the Most Blessed Sacrament at 3 p. m. Week Days: Masses at 6:30 and 8 a. m.

### First M. E. Church, South.

We are especially anxious for a good Sunday School tomorrow. Let's make this quarter the best one for the year. Our Presiding Elder will be with us for the last Quarterly Meeting before Conference. All our membership are earnestly requested to be on hand. Epworth League at 6:45. No evening service, as we adjourn for the Bi-centennial sermon at the High School.

WILL B. CAMPBELL, Pastor.

### Christian Church Services.

No evening service because of the High School service. In the morning the services will be as usual. Sunday School at 9:30. The various departments will meet in their separate rooms. The men have the big room at the rear using the side entrance. Every man not attending another school is given an invitation to attend this men's class and help them with the con-

test with Somerset. Every man present counts one point. The class is not in session long and it is conducted in such a way that people say "It's so different."

Morning church service following the Bible School. Let the membership be present in full attendance at this service since there is but the one service for the day. Strangers in the city always welcome.

A. F. STAHL, Pastor.

### First Presbyterian Church.

Mid-week Prayer Meeting Wednesday 7:30 p. m.

The Sunday evening services will be omitted in order that the members of the congregation may hear the sermon which will be preached to the graduating class of the High School. LOCKE WHITE, Pastor.

### Third Street M. E. Church.

Services tomorrow as follows: Preaching by the pastor at 10:45 a. m. subject, "The Rock of Ages." Mr. Ray Muse will sing a solo "Rock of Ages" at this service. There will be no evening preaching service on account of the bi-centennial service at the High School. Let us urge all our members and friends to attend this morning service.

Sunday School at 9:30 a. m., I. M. Lane, Superintendent.

Epworth League devotional service at 6:45 p. m. led by Miss Carrie Muse. The regular monthly offering will be taken at this service. The new cabinet will meet next Tuesday evening.

A most cordial invitation is given everyone to attend all these services. S. K. HUNT, Pastor.

### First Baptist Church.

Bible School at 9:30 a. m. Good teaching in all departments. Barren Class will have a great lesson—if you want to hear something good and sparkling, come.

Junior Baracas will open the door to all boys of the town not in other schools from 12 years of age to 16. Junior Baraca Guards will be organized and Captain Cochran will drill them with the Senior Baraca Guards. This is a great opportunity for the boys of Maysville to get sound Bible teaching, good military training and

## TIME IS THE TEST

The Testimony of Maysville People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Maysville people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Fred Dresel, tailor and justice of the peace, 1238 E. Second St., Maysville, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

Mr. Dresel gave the above statement on February 6, 1908, and on November 14, 1916, he added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them."

Mr. Dresel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Dresel has twice publicly recommended—the remedy backed by home testimony, 50c all stores. Foster-McBurn Co., Props., Buffalo, N. Y. "When Your Back Is Lame—Remember the Name."

show the spirit of patriotism. Parents see that their boys come to this class. This is endorsed by our church in business session last Thursday evening.

Pastor N. F. Jones will preach at 10:45 a. m. on "The Gospel of Light". The pastor hopes to make this a very helpful sermon—it will be short.

B. V. P. I., from 6:30 to 7:10 sharp.

COTTAGE CHEESE—AN INEXPENSIVE MEAT SUBSTITUTE

Cottage cheese is one of the important meat substitutes, say specialists of the United States Department of Agriculture. It contains a larger percentage of protein (the chief material for body building) than most meats and furnishes this material at a lower cost. In every pound of cottage cheese there is about one-fifth of a pound of protein, nearly all of which is digestible. Meats, on the other hand, usually contain less protein and besides have a certain waste, such as bone and other inedible material. A pound of cottage cheese daily would supply all the protein required by the ordinary adult engaged in a sedentary occupation.

The following table shows that cottage cheese is much cheaper than most meats in furnishing protein for the diet.

For supplying protein, one pound of cottage cheese equals:

- 1.27 pounds sirloin steak.
- 1.09 pounds round steak.
- 1.37 pounds chuck rib beef.
- 1.52 pounds fowl.
- 1.46 pounds fresh ham.
- 1.44 pounds smoked ham.
- 1.58 pounds loin pork chop.
- 1.31 pounds hind leg of lamb.
- 1.37 pounds breast of veal.

In addition to protein, energy for performing body work must be furnished by food. As a source of energy also, cottage cheese is cheaper than most meats at present prices. The following table shows the comparison when energy is considered.

On the basis of energy supplied, one pound of cottage cheese equals:

- 8 1-3 ounces sirloin steak.
- 11 1/4 ounces round steak.
- 11 1/4 ounces chuck rib beef.
- 10 1/2 ounces fowl.
- 5 1/2 ounces fresh ham.
- 5 ounces smoked ham.
- 6 ounces loin pork chop.
- 7 1-3 ounces hind leg of lamb.
- 12 3/4 ounces breast of veal.

Cottage cheese can be purchased at the Maysville Model Creamery on East Third street, C. M. Dooley, proprietor.

## ROADS SHOW RECORDS OF EXPENSE IN RATE HEARING

Washington, June 7.—A mass of expense records and estimates was submitted to the Interstate Commerce commission today by the railroads in rebuttal of evidence presented by the shippers opposing a fifteen per cent general freight rate increase. The rebuttal will continue tomorrow and then the roads will close their case and arguments will begin.

## ONION KING ARRAIGNED

Houston, June 8.—T. A. Austin, of Laredo, Texas, recently indicted with eighty-seven other individuals and corporations on a charge of conspiring to monopolize interstate commerce in onions, pleaded not guilty in the federal court here today. Bail was fixed at \$1,000 and he was released on his personal recognizance.

### OUR NEW DEPARTMENT

Beginning next week the Woman's National League For Service, which is working in connection with the National Council for Defense, the Department of Labor and other branches of the federal good will have a department devoted to home economics in the columns of the Public Ledger. This department will be in charge of Miss Alice Davis, who was a student of that wonderful exponent of good management and simple living, Mrs. Sarah Tyson Horer; and who is qualified by Government and University extension work as well as years of actual experience in home management. Under another name, Miss Davis is a recognized authority on the preservation of foods, her work in this connection having won for her an invitation to address the Women's Vocational Conference.

Persons interested in the course are requested to file or clip their Ledgers as owing to the limited space available no matter can be repeated, though Miss Davis will answer by mail any inquiry accompanied by a self-addressed stamped envelope and sheet of paper.

Persons are requested not to address inquiries concerning cold-pack canning with home equipment to Miss Davis, she does not teach or advise it. It is laborious, wasteful of fuel, and, owing to the possibility of explosion, dangerous. Those using the regulation canner should follow to the letter the instructions sent with the apparatus; no other is needed.

This department may not be able to give you the information asked for by the editor recently, on a hundred ways to cook tin cans; but it will tell you of a hundred good things to put away in them, and will even tell you how to preserve the can bright and shiny for next year's use.

We want every woman, no matter if she does not find herself in need of it herself, to take an interest in our new department.

### MISS HERRY'S RECITAL

The pupils of Miss Lida Herry's music class gave a recital in the Knights of St. John Hall over the Maysville Creamery last evening. About 25 of the students took part. All played well and reflected much credit on their teacher. Following the program a short dance was given for those taking part in the program.

The Maysville Model Creamery is paying 40c a pound for butterfat this week.

The Rev. Emil Banmann of Flemingsburg, was a visitor in this city yesterday.

Mrs. Larry Langfels and son have returned to their home on West Second street after spending several days in Cincinnati.

Mrs. Mary Thomas has returned to her home on Bridge street after spending a few days attending the graduation exercises at Caldwell College, Danville, Ky. Her daughter, Miss Ruth, who has been attending that school, returned with her.

### FOR REPRESENTATIVE

The Ledger today announces the candidacy of Mr. John R. Cochran of the Hill Top precinct for representative from Mason county, subject to the action of the Democratic Primary in August.

Mr. Cochran is one of the best known and highly respected young farmers in the county. For several years he was a member of the Magistrate Board of the county and discharged the duties in a most satisfactory manner. Mr. Cochran has always been regarded in party matters as belonging to the regular wing of his party and upon this record his friends feel that he should be nominated.

### R. OF P.'S PATRIOTIC

At the regular weekly meeting of the Knights of Pythias last evening the members of that lodge voted unanimously to buy \$500 worth of Liberty Bonds. They also voted to keep up the years dues and the sick and death benefits of all members of the lodge who will be drafted, if they are compelled to go. This was certainly a splendid move on the part of the Knights and shows that they are a "doing their bit" toward helping Uncle Sam fight his enemies.

The installation of the officers of the lodge was also held last evening, they having been elected on the previous meeting night.

### REMOVED TO HOME

Mrs. D. N. Peebles was removed to her home on West Third street yesterday afternoon from Hayswood Hospital where she had to undergo an operation. The operation was completely successful and she is much improved, which will be good news to her many friends throughout the city.

## YOUR PATRIOTIC DUTY BUY A LIBERTY BOND

Danger for the complete success of the Liberty Loan lurks in overconfidence.

The announcements in the press of large applications by institutions and men of great wealth are apt to engender the comfortable feeling that all will be well without the efforts of the small subscribers. This line of thought together with the idea that through over-subscription—minor allotments may not be made, must be dispelled from the mind of every patriotic citizen.

It is not sufficient that this issue should be merely a bare success. It must be a striking demonstration of the overwhelming strength of purpose animating all sincere friends of Liberty to bring the war to a speedy and successful termination.

The eyes of the enemy are watching this preliminary skirmish and our victory must be made effective by a truly popular subscription exceeding MANY TIMES the amount offered.

It behooves every INDIVIDUAL to let his action be entirely guarded by the conviction that upon HIS MOST PERSONAL EFFORT depends the truly result worthy of the great cause which all free men desire and intend to make triumphant. Hesitant as to the importance of the moment, should not be at all amount available should not be allowed to prevail. The Bonds are in denominations as low as \$50, and all purchasers of one of these will contribute their quota towards swelling the volume of subscriptions.

No thought of the detail work attendant upon subscribing to the loan need deter. We will—as we have already stated—attend to that free of any charge. All that is necessary is that we receive notification of the amount desired.

Nature is the Chloropractor's only aid—adjustments release the pressure from the nerves and make the way free for Nature to do her part in sending mental impulses through them to make and keep the body well.
